LETTER OF RECOMMENDATION

I would like to express my high appreciation for the long term cooperation with the THORR SP. Z O.O. company in the realization of number of offshore projects in our company.

In majority THORR SP. Z O.O. has been providing for our company welding works, but also assembling and sanding works. All services were performed efficiently, on time and in accordance with all the recommendations and assigned orders.

With full confidence I recommend THORR SP. Z O.O. company as a reliable project partner to any company planning to develop in offshore and metal constructions.
